SPAM, Virus, and Spyware Protection Services PLUS Parental Controls!

Wheat State Telephone has partnered with Edgewave to provide you with the latest tools to prevent viruses and annoying email from reaching your computer. This service is provided to you FREE of charge as a part of Wheat State Telephone's commitment to bring you the best Internet experience possible. *You will receive a Daily Digest of all quarantined messages in your wheatstate email inbox. Included in this e-mail is a link to customize your settings.*

Bundle packages include SecureIT! After installation, activate and download the SecureIT software from the link e-mailed to your new wheatstate.com e-mail address to load your firewall & parental control software and protect your PC from spyware, adware and viruses. *SecureIT is included FREE of charge in all ONE PRICE bundles. SecureIT is also available a la carte for an additional charge.*

General Information about your PC and PC environment:

Do you have a CAT 5/6 Internet jack near your main PC? _____ If no, one will need to be installed. You may hire your favorite electrician or you may hire Wheat State Telephone.

How many computers do you have? _____ Are they networked? _____ Do you have a fax machine? _____ Do you have satellite TV? _____ Do you have an electronic security system connected to your phone line? _____ If yes, *You will need to contact your provider to request a special filter for your alarm connection.*

Web browser/E-mail software will need to be updated with your identity and mail server information before you will be able to send and/or receive e-mail messages. You may contact Internet Technical Support for assistance regarding these settings and/or any other Internet related questions.

Internet Technical Support Available: 24/7/365 1/888-377-6523

High-Speed Internet Equipment Installation

Wheat State Telephone (WST) will install new High-Speed Internet equipment on the inside of your premises. Once installed this equipment becomes the property of the home/business owner. The property owner becomes responsible for the Internet service and the maintenance and repair of the equipment.

Brand _____
 Model _____
 Replacement Value: \$ _____

Customer Signature: _____	I acknowledge I have read and understand the equipment policy listed above.
Installer/Service Technician Signature: _____	Date: _____

For only \$4.95/month, protect your Internet equipment, telephone wiring and jacks

You can guard against budget-busting repairs to interior phone wiring and your high-speed Internet equipment with Wheat State's **SERVICE GUARD**. **SERVICE GUARD*** includes all the benefits of **WIRE GUARD** – diagnosis, repair and replacement parts for interior phone wires – and adds that same protection for any high-speed Internet wiring and equipment purchased from Wheat State. And, we'll show you how to get the most out of your equipment, and make sure your Wheat State services are trouble-free.

Without **SERVICE GUARD**, you'll pay a \$25 trip fee, \$75/hour for labor and up to \$125 for equipment replacement!

YES, please protect my Internet equipment, wiring, and jacks with Service Guard	<input type="checkbox"/> YES Initial _____
NO, I will pay for all equipment repairs and/or replacements.	<input type="checkbox"/> NO Initial _____
